

BEDFORDSHIRE CLIMATE CHANGE FORUM PRESENTS

Greening Our Schools

A PUBLIC MEETING WITH SPEAKERS

BILL JERMAN

Head of Hampton Hill Junior School, Richmond, London

Bill is a National College Regional Leader for London; his school is a National College Leading Sustainable School, a London Challenge Knowledge School for sustainability and winner of the National Teaching Award for Sustainable Schools in London.

STEPHANIE WOOD

Campaign Director, 'School Food Matters'

Stephanie specialises in food education and sustainable food, working with Richmond Council to improve its 'green' schools rating.

JENNY WINDER & KAREN HEADLAND

Elstow Lower School

The Head Teacher and Deputy Head Of Elstow Lower School, winner of the Green Flag award in 2008

A free public meeting to share ideas and experiences, to help Bedfordshire's teachers and other staff, governors and parents improve on what they are already doing to fight global warming.

There will be an opportunity to make a donation towards costs.

Further information available at **01234 215445**

MON 22 FEB 2010, 7.30 - 9.30 PM

BIDDENHAM UPPER SCHOOL
