

BEDFORDSHIRE CLIMATE CHANGE FORUM PRESENTS

# ENERGY FROM WASTE

A PUBLIC MEETING WITH SPEAKERS

---

**GEOFF BRIGHTY** from the ENVIRONMENT AGENCY will present on the Agency's policy on waste and resource efficiency

**PETER DAVIS**, DIRECTOR OF THE BRITISH PLASTICS FEDERATION, will speak on Denmark and other countries' experience in this field

**MARY EDWARDS**, from FRIENDS OF THE EARTH, will outline FoE's position

---

Speakers will be followed by a period for **comment and questions**

This is an opportunity to hear differing views and to explore and clarify the issues involved in making energy from waste

**ALL WELCOME.** There will be no charge but a donation to help with costs will be helpful. For further information please ring **01234 215445**

---

MON 17 MAR 2008, 7PM - 9.30PM  
VILLAGE HALL, STEWARTBY  
BEDFORDSHIRE
